

Open Call for the National Mov'in Europe Coordinator

Mov'in Europe was the flagship project of ESN for 2014 and still is until the next IB takes over. Mov'in Europe is an ESN campaign promoting mobility as a lifestyle, through the engagement of ambassadors in local, national and international activities. Mov'in Europe is a great opportunity to raise the awareness of young people about their mobility possibilities all over Europe.

What does this task include?

- Work with the International Team and the ESN Finland National Board toward better acknowledgement of the mobility among youth
- Giving a presentation and/or workshop about Mov'in Europe in the National Platform of ESN Finland
- Informing the sections about the flagship project via e-mail, Facebook etc. from the international level
- Keeping the international level (= the International Team) of ESN updated about the Mov'in Europe events/projects in Finland.
- Increase the Mov'in Europe related activities and knowledge among the sections in Finland by helping the sections to create their own events/projects related to Mov'in Europe
- Represent ESN Finland in Mov'in Europe conferences and trainings
- Organize a nationwide Mov'in Europe training, conference or event. A possibility to cooperate with the National Education Officer and the IROs in the universities

What's expected of you?

- Represent ESN Finland on the international level
- A good knowledge of the project
- Reporting the state of the project to the NB regularly
- Be enthusiastic and proactive toward the sections

What's in it for you?

- Gaining knowledge about different mobility possibilities
- Sharing of experiences, practices and conventions with the other Mov'in Europe Coordinators and the international team
- Wider understanding of the international structure of ESN
- A possibility of a Mov'in Europe training in the summer
