

Open call for National ExchangeAbility Coordinator of ESN Finland

Are you excited about getting a new challenge in your ESN career? Are you interested in getting involved in one of the projects with more projection within the next years? Also in making our network more accessible for all students? Then ExchangeAbility is your project!

What is **ExchangeAbility** about?

In a few words ExchangeAbility aims to Making ESN a more accessible association for disabled students at all the levels of its activities and to increase the number of students with disabilities going on exchange. The long-term vision of the project is to promote the opportunities and support offered for students with disabilities to study abroad.

In addition, ExchangeAbility works with ESN sections, HEIs and organisations that are experts in the field to create the best conditions possible for disabled students during their stay abroad.

What **benefits** do I get from this?

- Possibility to get involved in the higher levels of ESN (national and international)
- You will have a chance to participate in national and international events and trainings
- Experience as project coordinator
- Possibility to network with other project coordinators in ESN
- Wider knowledge of the field and the project

What **tasks** do I need to perform?

- Familiarizing yourself further with the idea and purpose of ExchangeAbility
- Be the link between the International Team and the Local Coordinators.
- Meetings with the Local Coordinators (Skype)
- Support the Local Coordinators
- Provide useful information and materials for the LC's in order to make EA and MA better known among the sections and themselves
- Giving a presentation and/or workshop about ExchangeAbility in the National Platforms of ESN Finland
- Try to find partners and sponsors for EA in Finland
- Make sure the MapAbility questionnaires are filled on time
- Get LEAC's in all the sections of ESN Finland
- Promote the creation of events and help the sections to organize EA events
- Keep the NB updated of your progress
- Motivate the local sections to participate in the project

Please send your ESN CV and motivation letter to **board@esnfinland.eu** by the deadline **Sunday the 31st of May.**

If you have any further questions please contact the National Board or the current NEAC

Pablo Guillerna Franco at **exchangeability@esnfinland.eu**
