

## Open Call for the National ESNcard Coordinator

The ESNcard project was chosen to be **the next flagship project** of our dear network in AGM Ankara. As the whole network will focus onto this project, it is important to have one person in the national level whose responsibility is solely to follow up with the project and give his/hers support to both NB and the sections.

### What is the ESNcard project?

The ESNcard is the membership card of the Erasmus Student Network. It is a *proof of membership* in an ESN section and so indirectly of the ESN network. The ESNcard is also used as a *discount card* in many cities and countries around Europe. The project also includes the ESNcard.org website where the discounts and benefits of the project are uploaded by the sections and where the students can register to get the best out of the membership.

### What are the tasks of the National ESNcard Coordinator?

- Following up the ESNcard project and it's development in the international level
- Giving input and ideas to the international ESNcard team
- Keeping the NB informed on everything that is going on with the project
  - Supporting the NB vice-president with the partnerships
- Training the network in Finland on the project
  - Information e-mails, workshops, Skype-calls etc.
- Supporting the sections of ESN Finland
- Promoting the project inside and outside of the network
- Supervising the ESNcard.org on the part of Finland
